

SINGING FOR THEIR SUPPER: Opera Pro Cantanti - www.operaprocantanti.com - will stage Sunday-night operas at Denman Place Theatre April 6 to June 29.

The youthful squad sang arias from *Lucia di Lammermoor*, *Rigoletto* and *La Traviata* recently in a Marriott Pinnacle hotel meeting room that had artistic director **Richard Williams** gasp: "The acoustics are like La Scala [Milan] — fabulous."

The event was a benefit for the Canadian Olympic Culinary Team, fronted by leader-chef **Bruno Marti** and the California Cult Classics firm's winemaker-principal, **Frank Gigliotti**.

Even **Lucia di Lammermoor's** wedding feast couldn't top the team's prepared banquet of Mount Lehman pheasant, braised sable fish, truffle-larded beef tenderloin, and goat-cheese tart.

Opera Pro Cantata tenor Mark Peep and soprano Erin Armstrong sang for an Olympic Culinary Team supper.
