

**Leeta Liepins, here with The Travel Guys' Jim Gordon, will sing in Opera Pro Cantanti's Norma Sunday.**

**CASTA DIVA (OR TWO):** Mezzo-soprano and tea tree oil marketer **Leeta Liepins** is clearing her pipes for the role of Clotilde in Bellini's bel-canto opera *Norma* at Denman Place Cinema Sunday. **Heidi Lynn Peters** will sing the title role that was soprano Maria Callas's favourite. The bare-bones staging by Opera Pro Cantanti — [www.operaprocantanti.com](http://www.operaprocantanti.com) — kicks off a four-month series including Verdi's *Rigoletto* and *La Traviata*, and Donizetti's *Lucia di Lammermoor*.

Liepins's friend **Jim Gordon** co-hosts *The Travel Guys* cable-TV show, which may see him and screen-sidekick **Darren Parkman** do their goofy shtick beside La Scala Milan this weekend.
